Subject: Verification on entryway bench placement

Drawing: A503

Spec Section: 04400

Cost Impact: None

Schedule Impact: None

Request:

Date Required: 2/18/2002

The drawing indicates the bench should be placed 6" from the water feature. Shouldn't that be 6'?

Requested by: Doug Moffett
Timberline Construction

Response:

Drawing should read 6'. A replacement sketch will be issued.
